

**ARIZONA TAX CREDIT  
HOMESCHOOL VERIFICATION FORM  
(ARIZONA FAMILIES)**

Beginning with the 2021/2022 academic year, eligibility for Overflow Tax Credit Scholarships expanded to include students who were homeschooled before enrolling directly in a qualified private school.

For students finishing the current school year in homeschool, they will be eligible for Overflow Scholarships for the upcoming academic year. If the transition occurs within the same academic year, as long as the transition is from homeschooling directly to the private school, they are also eligible.

A Homeschool Verification Form must be completed by the parent and submitted with our online application along with **one** of the following documents:

- Affidavit of Intent to Homeschool filed with your County School Superintendent
- Homeschool withdrawal form from your County School Superintendent
- Proof of purchase of homeschool curriculum

The requirement is to verify that the student was homeschooled immediately prior to enrolling in a private school.
